

MONEY TREE MYSTERIES

working with coins

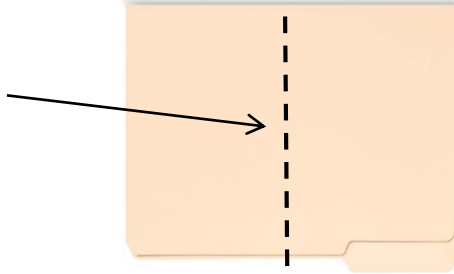

Students may work alone or with a partner on this self-correcting game as they practice their money skills.

Money Tree Mysteries

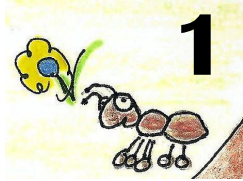

Preparing your materials ...

- ♥ cut 13 file folders in half
- ♥ adhere "money" cards to the covers of file folder
- ♥ adhere answer cards to inside of folders
- ♥ laminate

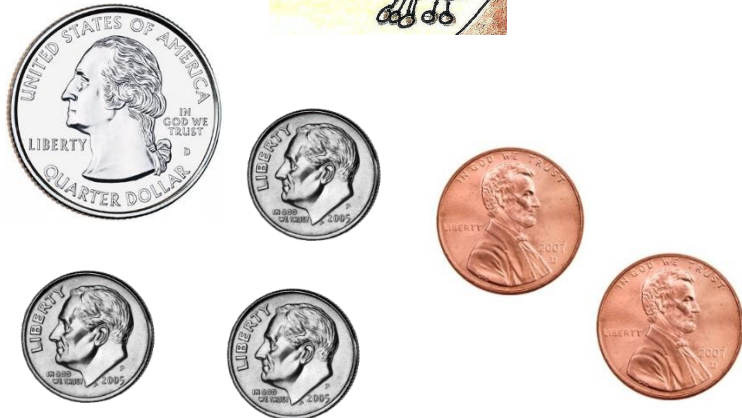

How to Play

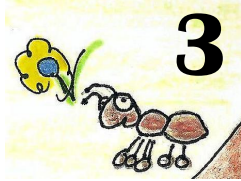

- ♥ place one file folder on each desk
- ♥ students travel from desk to desk (one student per desk), recording answers on their answer sheet (in the correct number slot)
- ♥ students self-correct by "flipping" open the file folder and checking their answer
- ♥ students close the folder and move to another desk
- ♥ if they are working with a partner, both partners must agree on the answer before checking the inside of the folder
- ♥ students do not need to complete their answer sheet in order but need to make sure they answer all twenty-six problems
