## Preparing your materials ...

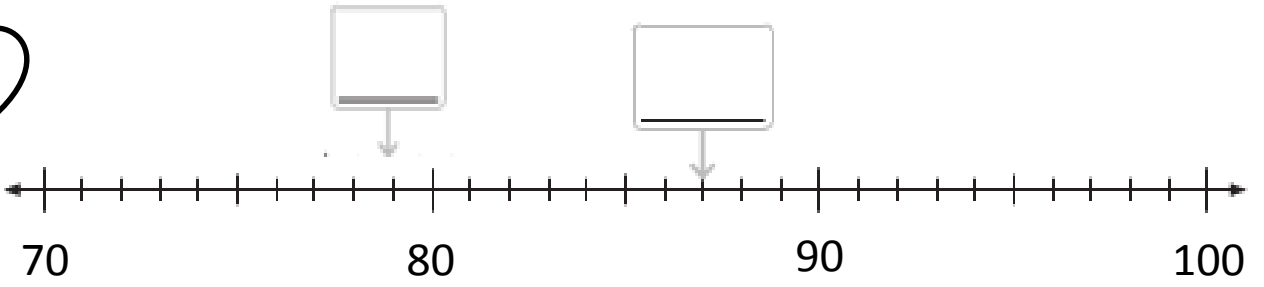

- ♥ cut apart individual number lines
- ♥ mount on colored construction paper (to create a border) and laminate

## Directions ...

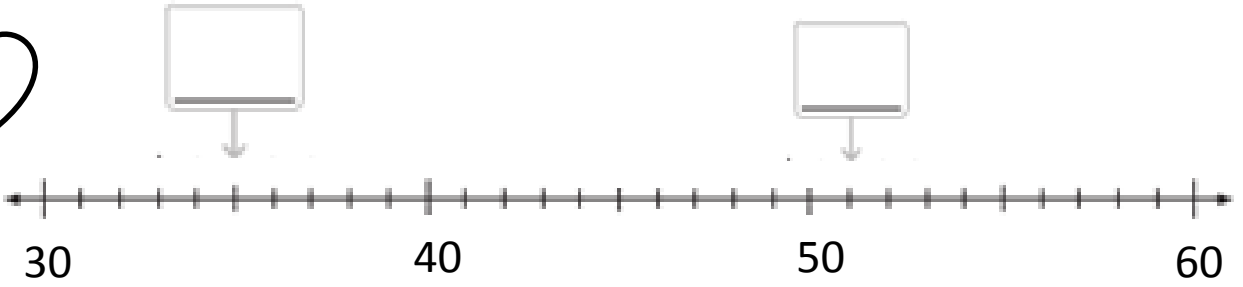

- ♥ tape the number lines all around the room
- ♥ children work with partners, moving from number line to number line, identifying the missing numbers, and writing their answers on their record sheet
- ♥ both partners must agree on what the missing number is before recording it on their sheet
- ♥ use your document camera to display the answers at the end of the game
